

## Fees and Levies

The Tuition Fees and Levies charged at Caloundra City Private School fall into 4 categories;

- **Tuition Fee and Resource Levy:** For a student at CCPS, the Tuition Fee covers most education costs. It includes tuition costs, school diaries, library resources, ID cards, locker keys and all subject and classroom resources.
- **Technology Levy:** A Technology levy is charged from Year 4 to Year 12 to support the investment in IT resources. Years 4, 5 and 6 bring their own iPad while Years 7 – 12 participate in the School's Computer Program which includes a fully programmed contemporary computer which is replaced every 3 years. Year 12 students retain their computer upon graduation at no extra charge.
- **Compulsory Camps and Excursions:** A fixed amount is charged for compulsory camps, excursions and activities. This is charged at the commencement of the school year. Costs may vary depending on the activities undertaken.
- **Building Fund:** The Building Fund Levy is used to fund the construction of buildings and other educational facilities which are essential to enabling the provisions of quality education. A non-compulsory Building Fund contribution is added to each account.
