THE DUKE OF EDINBURGH AWARD

Caloundra City Private School is excited to offer The Duke of Edinburgh Award through our school in 2023.

The Duke of Edinburgh Award Scheme consists of three levels – Bronze, Silver and Gold. Within each level there are four sections: Service, Skill, Physical Recreation and Adventurous Journey. A residential project is also included in the Gold Level. A handout with more details will be given to participants and their parents.

Students who complete Bronze Level are credited one point towards their Year 11 and 12 school certificates, the Queensland Certificate of Education (QCE), Silver Level is also one point and Gold Level contributes two points. All three awards completed gives students four points towards their QCE. (This is same amount of points as a senior subject, studied in Years 11 and 12.)

This is a whole year commitment for the students. Adventurous Journeys are organised by the students in conjunction with the staff involved. Service, Skill and Physical Recreation sections are organised by students in their own time. Each of the three sections requires about one hour per week. Participants will meet each fortnight during lunch in the RBH PE room on Thursdays.

Registration fees of \$185 for Bronze level + \$120 each additional level. The School subsidises 50% of Gold Award fees. The cost of the Adventurous Journeys varies depending on the type and length of the journey/expedition.
