Co-Curricular Activities Program

This booklet describes the activities that are available to students in the Junior and Senior School during the term. These activities are designed to complement classroom curriculum and enhance the learning of students. These activities allow students to participate in new experiences and develop skills and talents in areas beyond the classroom.

Some of these activities will foster individual skill development whilst other activities will provide the opportunity for students to develop team skills.

Specific information is included in this booklet regarding the timing of the activities, the materials required, associated costs and the Coordinator details. Please be aware that there is a possibility that some of the times and locations of the activities may change.

For external tutors an arrangement exists between parents and tutors to coordinate lesson times and arrange make up lessons. Fees are to be paid for each activity as per the invoice sent to you directly or via your child/ren. These invoices may come directly from the company or tutor.

REGISTRATIONS CLOSE FRIDAY 19 APRIL @ 3PM
via Parent Portal/Co-Curricular or activities@ccps.qld.edu.au

THE DUKE OF EDINBURGH INTERNATIONAL AWARD

Caloundra City Private School is excited to offer The Duke of Edinburgh Award through our school in 2024.

The Duke of Edinburgh Award Scheme consists of three levels – Bronze, Silver and Gold. Within each level there are four sections: Service, Skill, Physical Recreation and Adventurous Journey. A residential project is also included in the Gold Level. A handout with more details will be given to participants and their parents.

Students who complete Bronze Level are credited one point towards their Year 11 and 12 school certificates, the Queensland Certificate of Education (QCE), Silver Level is also one point and Gold Level contributes two points. All three awards completed gives students four points towards their QCE. (This is same amount of points as a senior subject, studied in Years 11 and 12.)

This is a whole year commitment for the students. Adventurous Journeys are organised by the students in conjunction with the staff involved. Service, Skill and Physical Recreation sections are organised by students in their own time. Each of the three sections requires about one hour per week.

Registration fees of \$185 for Bronze level + \$190 each additional level. The School subsidises 50% of Gold Award fees. The cost of the Adventurous Journeys varies depending on the type and length of the journey/expedition.

READERS CUP BOOK CLUB

WEEK 2 – WEEK 8

The Sunshine Coast Readers Cup is an annual competition organised by the Children's Book Council of Australia. It presents an exciting opportunity for our readers to showcase their skills!

What happens?

The students each read five books. On the day of the competition, the teams battle it out against other schools, answering questions based on the books.

One school will rise above all and be crowned the 2024 Sunshine Coast Readers Cup champions! The winning team will then represent the region at the State Finals in Brisbane in early September.

When and where?

The competition will commence at 10am, Tuesday 11th June, at Immanuel Lutheran College. The students will be accompanied by Mrs Atkins.

What are the books?

Year 5-6 CCPS Team Organisation and Commitment

The Readers Cup Book Club will run as a Co-Curricular activity in Term 2 to support students in their preparation. CCPS will provide the books for loan to the children.

We are planning to enter 2-3 teams into the competition. Please note, as participation requires commitment – including reading the five texts, writing summaries, creating questions, and attending Book Club preparation sessions - final team selections will occur just before the competition.

MINDGYM

WEEK 2 – WEEK 8 (NOT MONDAY 6TH MAY)

Strengthening Young Minds: Introducing the Mindgym Program at CCPS School! Empowering Students Through Literature

We are delighted to introduce an exciting program that aims to foster a love for literature and equip our students with valuable life skills. Welcome to the Mindgym, where young minds meet to engage in immersive audiobooks and explore their profound messages.

At our CCPS, we believe in the power of storytelling and its ability to shape young minds for a brighter future. The Mindgym is a platform that encourages students to delve into audiobooks and extract lessons that transcend the pages. The program provides a safe and stimulating environment for students to share their thoughts and insights.

Each fortnight, our students gather at a Monday Lunchtime to discuss and passionately dissecting the audiobooks they have explored. Two distinct groups made up of Male and Female students will alternate each week. Led by enthusiastic facilitators Mr Brimblecombe and Ms Ryan, delve into the intricate details, symbolism, and overarching themes presented in the chosen literature. These sessions offer a unique opportunity for participants to strengthen their critical thinking and communication skills.

At the Mindgym, we believe books go beyond mere entertainment; they can serve as valuable guides for life. By engaging in literature that provides practical life skills, our students actively learn and apply these concepts to their daily lives. They find inspiration, empathy, problem-solving techniques, and ways to enhance their emotional intelligence.

The Mindgym is an innovative program that goes beyond traditional approaches to engage students in literature. By focusing on books that provide life skills, our students develop a deeper understanding of themselves and the world around them. Join us as we delve into the wonders of storytelling and empower our students for a brighter future."

CHOIR

WEEK 2 – WEEK 8 (NOT THURSDAY 25TH APRIL)

CCPS is offering choir for students in Prep – 12 with our music teacher, Ms Spry. Being part of a choir is a fun and empowering experience where students can engage positively with others and express themselves through song.

Students will benefit from developing their aural skills, sense of rhythm, pitch and musical ear. Ms Spry incorporates a variety of warm-ups and team-building activities that create a strong sense of team spirit. Students will be directed in their vocal techniques and through the program will gain confidence in performing.

The Choir will be provided with a range of performance opportunities throughout the year including assembly performances, Arts nights and lunchtime performances.

Being part of a choir is a wonderful opportunity for students to enjoy creating and sharing music. Choir repertoire includes popular music, the National Anthem, our school song and three-part rounds.

PERFORMANCE DANCE GROUP

WEEK 2 – WEEK 8 (NOT THURSDAY 25TH APRIL)

Our CCPS Dance Club promotes social connection, confidence, creativity, fitness, co-ordination, muscle strength and flexibility. Students learn how to give their movement form and structure and develop an awareness of techniques and dance genres.

Students will need to be able to commit to Thursday Lunch rehearsals. Students selected through audition for our Performance Dance Group will need to be flexible in committing to additional times (for e.g. additional recess time or before school) as they prepare to represent CCPS in local community competitions and events.

FISHING CLUB

WEEK 2 – WEEK 8 (NOT THURSDAY 25TH APRIL OR FRIDAY 31ST MAY)

Exploring the World Beneath the Waters at CCPS
Fishtales.ccps Club Offers a Unique Experience

At Caloundra City Private School (CCPS), a new adventure awaits as we dive into the world of Fishtales.ccps. Every Week, a small group of students gathers to embarking on a journey to explore the abundant aquatic life in the river that borders our campus. But it's not just about fishing; it's about nurturing our students' well-being and allowing them to appreciate the beauty that surrounds our school. Through the Fishtales.ccps club, students have the opportunity to immerse themselves in hands-on learning experiences. With guidance from our dedicated teacher Mr Brimblecombe, they learn about the diverse species that inhabit our local river, gaining insights into their ecosystems, behaviors, and environmental significance. These engaging sessions serve as a powerful reminder of the importance of conserving our natural resources. In today's fast-paced world, providing an avenue for relaxation and tranquility is vital for our students' well-being. Fishtales.ccps not only offers an educational experience but also encourages our students to unwind and find solace in the serene surroundings of our school. By connecting with nature, our young anglers learn the art of patience, concentration, and mindfulness. Due to the **risks associated** with fishing and being around water only a small group of students are able to venture out each lunchtime. Please **submit an expression of interest** for your child to join, we will try to ensure that each student is able to go fishing as much as possible **however**, selection of students are based each week on **behaviour, academic effort, service given to CCPS and teacher recommendations**. Mr Brimblecombe has the final say on student participation and will check in regularly with students and teachers to ensure they meet the criteria each week.

JUNIOR VOLLEYBALL

WEEK 2 – WEEK 8 (NOT FRIDAY 31ST MAY)

Students from Year 2-5 are invited to play volleyball in a fun and exciting program. There will be game-based activities to help further develop skills that have been taught during Sports and PE lessons with the aim of finishing each session with either a modified or actual game of volleyball. This will be determined based on the level of skill demonstrated by the participants. With Volleyball being one of the core sports that CCPS has chosen to focus on, this is a great way to improve your skills and be ready to be selected and participate in school-based competitions for this year and beyond. See you there!

FUTSAL

WEEK 2 – WEEK 8

Futsal is a football-based game played at CCPS in the RBH. It uses a smaller, harder ball with not as much bounce. Futsal is an excellent game to develop close ball control, football skills and stamina. It is also a great game to help prepare for the football season and is a lot of fun as a stand alone game. At CCPS we are hoping to develop a Futsal team to potentially compete against other schools.

SPECIALIST MUSIC & DRUMS

WEEK 2 – WEEK 8

VOICE, PIANO, GUITAR, UKELELE AND MANDOLIN

Miss Kathy Spry is a professional musician having experience in performance and composition for 10 years. Kathy has performed many shows in various bands and as a solo artist. She has worked as a professional instrumental teacher for several years at performance based music schools and has also prepared her students for AMEB examinations and Trinity examinations. Kathy has directed several shows for kids and adults, teaching people how to work and perform in bands and groups, including directing her own acapella group.

Kathy's focus is to prepare lessons that are individualised to each student, gives her students options on their own music journey whether they want to focus on just building skills for their instruments, performance and composition or if they would like to be prepared for music exams such as AMEB or Trinity.

Aspects covered during lessons include learning technique to safely execute their skills, theory including reading music notation or tablature, building aural skills and encouragement of composition and performance.
