Co-Curricular Activities Program

This booklet describes the activities that are available to students in the Junior and Senior School during the term. These activities are designed to complement classroom curriculum and enhance the learning of students. These activities allow students to participate in new experiences and develop skills and talents in areas beyond the classroom.

Some of these activities will foster individual skill development whilst other activities will provide the opportunity for students to develop team skills.

Specific information is included in this booklet regarding the timing of the activities, the materials required, associated costs and the Coordinator details. Please be aware that there is a possibility that some of the times and locations of the activities may change.

For external tutors an arrangement exists between parents and tutors to coordinate lesson times and arrange make up lessons. Fees are to be paid for each activity as per the invoice sent to you directly or via your child/ren. These invoices may come directly from the company or tutor.

REGISTRATIONS CLOSE FRIDAY 4 OCTOBER @ 3PM

THE DUKE OF EDINBURGH INTERNATIONAL AWARD

Caloundra City Private School is excited to offer The Duke of Edinburgh Award through our school in 2024.

The Duke of Edinburgh Award Scheme consists of three levels – Bronze, Silver and Gold. Within each level there are four sections: Service, Skill, Physical Recreation and Adventurous Journey. A residential project is also included in the Gold Level. A handout with more details will be given to participants and their parents.

Students who complete Bronze Level are credited one point towards their Year 11 and 12 school certificates, the Queensland Certificate of Education (QCE), Silver Level is also one point and Gold Level contributes two points. All three awards completed gives students four points towards their QCE. (This is same amount of points as a senior subject, studied in Years 11 and 12.)

This is a whole year commitment for the students. Adventurous Journeys are organised by the students in conjunction with the staff involved. Service, Skill and Physical Recreation sections are organised by students in their own time. Each of the three sections requires about one hour per week.

Registration fees of \$185 for Bronze level + \$190 each additional level. The School subsidises 50% of Gold Award fees. The cost of the Adventurous Journeys varies depending on the type and length of the journey/expedition.

CHOIR

WEEK 2 – WEEK 8

CCPS is offering choir for students in Prep – 12 with our music teacher, Ms Spry. Being part of a choir is a fun and empowering experience where students can engage positively with others and express themselves through song.

Students will benefit from developing their aural skills, sense of rhythm, pitch and musical ear. Ms Spry incorporates a variety of warm-ups and team-building activities that create a strong sense of team spirit. Students will be directed in their vocal techniques and through the program will gain confidence in performing.

The Choir will be provided with a range of performance opportunities throughout the year including assembly performances, Arts nights and lunchtime performances.

Being part of a choir is a wonderful opportunity for students to enjoy creating and sharing music. Choir repertoire includes popular music, the National Anthem, our school song and three-part rounds.

FISHING CLUB

WEEK 2 – WEEK 8

Exploring the World Beneath the Waters at CCPS
Fishtales.ccps Club Offers a Unique Experience

At Caloundra City Private School (CCPS), a new adventure awaits as we dive into the world of Fishtales.ccps. Every Week, a small group of students gathers to embarking on a journey to explore the abundant aquatic life in the river that borders our campus. But it's not just about fishing; it's about nurturing our students' well-being and allowing them to appreciate the beauty that surrounds our school. Through the Fishtales.ccps club, students have the opportunity to immerse themselves in hands-on learning experiences. With guidance from our dedicated teacher Mr Brimblecombe, they learn about the diverse species that inhabit our local river, gaining insights into their ecosystems, behaviors, and environmental significance. These engaging sessions serve as a powerful reminder of the importance of conserving our natural resources. In today's fast-paced world, providing an avenue for relaxation and tranquility is vital for our students' well-being. Fishtales.ccps not only offers an educational experience but also encourages our students to unwind and find solace in the serene surroundings of our school. By connecting with nature, our young anglers learn the art of patience, concentration, and mindfulness. Due to the **risks associated** with fishing and being around water only a small group of students are able to venture out each lunchtime. Please **submit an expression of interest** for your child to join, we will try to ensure that each student is able to go fishing as much as possible **however**, selection of students are based each week on **behaviour, academic effort, service given to CCPS and teacher recommendations**. Mr Brimblecombe has the final say on student participation and will check in regularly with students and teachers to ensure they meet the criteria each week.

FUTSAL

WEEK 2 – WEEK 8

Futsal is a football-based game played at CCPS in the RBH. It uses a smaller, harder ball with not as much bounce. Futsal is an excellent game to develop close ball control, football skills and stamina. It is also a great game to help prepare for the football season and is a lot of fun as a stand alone game. At CCPS we are hoping to develop a Futsal team to potentially compete against other schools.

SPECIALIST MUSIC & DRUMS

WEEK 2 – WEEK 8

VOICE, PIANO, UKELELE AND MANDOLIN

Miss Kathy Spry is a professional musician having experience in performance and composition for 10 years. Kathy has performed many shows in various bands and as a solo artist. She has worked as a professional instrumental teacher for several years at performance based music schools and has also prepared her students for AMEB examinations and Trinity examinations. Kathy has directed several shows for kids and adults, teaching people how to work and perform in bands and groups, including directing her own acapella group.

Kathy's focus is to prepare lessons that are individualised to each student, gives her students options on their own music journey whether they want to focus on just building skills for their instruments, performance and composition or if they would like to be prepared for music exams such as AMEB or Trinity.

Aspects covered during lessons include learning technique to safely execute their skills, theory including reading music notation or tablature, building aural skills and encouragement of composition and performance.
