## FUTURE READINESS REDEFINED.

A reimagined senior school experience,  
built on independence.

We've ditched the traditional timetable to let young people co-design their own schedules, creating a personalised learning programme that's unique to them.

The Agile Graduate Programme is Caloundra City Private School's future-focused senior school pathway, designed for students who want greater ownership of their learning, and the readiness to thrive beyond school. Built around flexibility, independence and

real-world relevance, the programme redefines the senior school experience, by placing students at the centre of their education.

**A new and innovative way to ready keen and curious learners for a changing world.**

# THE AGILE GRADUATE PROGRAMME

## Why It Matters

### THE WORLD IS CHANGING FAST.

Today's careers are non-linear and uncertain. Success requires more than scores - it requires agility, adaptability and confidence.

### EVIDENCE-BASED.

Developed from global research and CCPS expertise, The Agile Graduate Programme is a proven model for future readiness.

### FOR LIFE, NOT JUST SCHOOL.

Our students gain the ability to think for themselves, make choices, and take initiative - skills that last well beyond graduation.

## Key Benefits for Parents

- ✓ Confidence your child is prepared for life after school
- ✓ Assurance of academic strength plus life skills
- ✓ A safe, supported, and flexible environment
- ✓ A pathway that is unique in Queensland education
